

## Customizable 38" Wide Cold Pizza Prep Table

### COLD PIZZA PREP TABLE SPECIFICATIONS

Engineered using only the highest quality materials and components, PrepRite refrigerated prep tables provide reliable, efficient solutions for cold food preparation and meal assembly. The prep table features an energy-efficient refrigeration system that delivers quick temperature recovery for more consistent product temperatures, lower utility costs and compliance with food safety standards.

PrepRite tables put every ingredient at your fingertips, allowing your operation's food prep to run safely, smoothly and efficiently while decreasing waste and reducing bottom-line costs.
