- Fast quotes, drawings, and lead times
- National footprint with 5 U.S. manufacturing plants for better lead times and freight costs

Let's Build Something Better

With nationwide coverage, fast service, and decades of expertise, Everidge is the trusted partner for convenience store operators. Whether you're upgrading a single location or rolling out improvements chain-wide, we help you build smarter, safer, and more efficient operations that keep customers coming back.

ICS™ Modular Walk-Ins

Flexible configurations for any footprint. Easy to install, easy to expand

ICS: Outdoor Innovation That Maximizes Retail Space

The Mold Resistant Walk-In: Triple Defense for Food Safety

Everidge's Mold Resistant Walk-In is built for convenience store environments where hygiene and safety are non-negotiable. It includes:

- **UV-C Disinfection:** Continuously neutralizes airborne pathogens and ethylene gas.
- **Sanitsteel® Panels:** Antibacterial, corrosion-resistant, and simple to sanitize.
- **Slip-Resistant Flooring:** Designed for safety in busy, moisture-prone areas.

Together, these features help convenience stores maintain food safety standards and reduce cleaning time.

“ ICS gave us the flexibility to expand our cold storage without disrupting operations. It was plug-and-play. ”
